

PIDOG TOKENOMICS

PIDOG is a digital token. PIDOG has no functions, no utility, and no intrinsic value, no promise or expectation of financial returns, profits, interest, or dividends.

There is no roadmap, and there is no promise or expectation that an ecosystem will ever be developed for PIDOG.

PIDOG is completely useless and is for entertainment purposes only.

For the avoidance of doubt, and without limiting the generality of the foregoing, PIDOG is not and is not intended to be:

a medium of exchange used by the public (or any segment of the public) as payment for goods or services,
or for the settlement of a debt;

designed or intended to be used by the public (or any segment of the public) as payment for goods or services;

entitle holders to exchange PIDOG for goods or services;

a representation of money (including e-money);

a digital representation of a capital market product, security, share, debenture, unit in a collective investment scheme, derivative contract, commodity, or any other type of financial instrument or investment in any jurisdiction;

a capital market product, security, share, debenture, unit in a collective investment scheme, derivative contract, commodity, or any other type of financial instrument or investment in any jurisdiction;

represent a participation, shareholding, right (including, but not limited to, voting rights), title, share or interest in, or the right to participate in, the business operations of, or undertakings (including, but not limited to, members of, or a member of the PIDOG CTO);

any claim to any voting rights with respect to the "PIDOG" ecosystem, as it appears on the websites, www.pidog.xyz, and all web pages hosted thereon ("Websites") as a whole;

represent any right to fees, dividends, revenue, profits, or investment returns;

represent any rights under any contract or other agreement whose purpose or purported purpose is to make a profit or avoid a loss;

be refundable or exchangeable for cash (or its equivalent in another digital asset); and/or represent an indebtedness.

There is no guarantee and no obligation to list PIDOG on any exchange.

DISCLAIMERS

This white paper ("White Paper") and the websites are intended for general information purposes only and do not constitute a prospectus, an offering document, an offer of securities, capital market products, or digital payment tokens, or a solicitation of investment or an offer to sell any product, instrument, or asset (whether digital or otherwise). The information may not be exhaustive and does not imply any element of a contractual relationship. There is no guarantee as to the accuracy or completeness of this information, and no representations, warranties, or undertakings are made regarding the accuracy or completeness of this information.

Nothing in the White Paper or on the websites constitutes an offer by PIDOG to sell, nor should it, or any part of it, or the fact of its presentation, form the basis of, or be relied upon for, any contract or investment decision.

Nothing contained in the White Paper or the Websites is or can be considered a promise, representation, or commitment regarding the future development of PIDOG.

The information presented in the White Paper and on the Websites is for community discussion only and is legally binding. No person is obligated to enter into a contract or binding legal obligation with respect to the acquisition or receipt of PIDOG, and no digital assets or other forms of payment may be accepted on the White Paper or the Websites. The agreement to distribute PIDOG and/or continue to hold PIDOG is subject to terms and conditions that will be separately provided to you from time to time or posted on the Websites.

No regulatory authority has reviewed the information contained in the White Paper or on the Websites.

The information contained in this white paper or on the websites has not been reviewed or approved, either formally or informally.

Information in the white paper or on the websites has not been reviewed or approved. No such action or representation has been or will be taken under the laws, regulatory requirements, or rules of any jurisdiction. The publication, distribution, or forwarding of the white paper or the websites does not imply compliance with applicable laws, regulations, or rules.

NO FURTHER INFORMATION OR UPDATES

The information in this white paper is current only as of the date of the version of the document indicated on the cover.

Information about a token sale, PIDOG's features, PIDOG's business operations, financial condition, and future plans

of PIDOG may change from time to time, and the information in this white paper or on the websites may therefore be out of date, and none of the members of PIDOG is obligated to update or correct this document in this regard.

This white paper does not constitute a binding commitment. Please do not rely on this information to decide whether to purchase PIDOG, as the development, release, and timing of products, features, or functionality is at PIDOG's sole discretion and is subject to change. Furthermore, the white paper or the websites may be modified or replaced from time to time. There is no obligation to update the white paper or the websites or to provide recipients with access to information beyond that contained herein.
